

**Broomwood Community Association (BCA) was formed in July 2002 to help residents improve general, social and economic conditions on Broomwood Estate, to address pressing issues: Education; Health; Housing; Shops; Widespread poverty; Isolation - Lack of Public Transport, during evenings etc. Lack of facilities etc.,**

Broomwood is correctly classified by the European Economic Community as an Economically Deprived Area; an area in much need of careful community regeneration etc.

**Broomwood Estate, Timperley, Altrincham, Cheshire, WA15 - UK. Is in the administrative local authority area of Trafford Metropolitan Borough Council, which is a part of Greater Manchester.**

BCA hold regular monthly public meetings, at 6-30pm on the third Monday of each month, our venue Broomwood Primary School, centrally situated on Mainwood Road. The School is at the heart of this community.

NEW HOMES @ BRIARFIELD

The local shops are located on Briarsfield Road, traders are having a really difficult time because TMBC sold off the Estate's only convenient car park to a key housing developer, the resultant marked lack of parking spaces has, as was foreseen by BCA, caused a reduction of trade for the retailers concerned. Lack of proper consultation on this and other developments has been criticised by BCA but in the recent past TMBC have paid little or no regard to adequate consultation as opposed to belated notification, BCA are working with interested parties to improve transparency and access by residents to effective local and democratic forums.

There is a Housing Hub Office at No. 6 Redbrook Road (Tel 912 1212 and ask for Broomwood Housing Office) Staff of Irwell Valley Housing Association, TMBC Housing Department attend and when duty allows GMP attend.

We look forward to seeing visitors at our meetings, which are open to all residents and the general public, (Local Councillors and Local Government Officers often attend to answer questions and assist where practicable). From time to time, there are various other events organised by residents for residents. We hope to add links and pictures on a regular basis.

Follow our BCA links, they contain much basic resource information, for residents and guests, on a broad range of topics and many of those of local interest too: Archives: Calendar: Links: Pictures: Reports Etc. Feedback:
