 Boot
 Cost £5
 Ring Harry
 on 282 1098**

Britain in Bloom

Coniston Walk Gardens & the flowerbeds outside the G-Force café were our entries this year. We are pleased to report that the Judge was very impressed with both displays, Coniston Walk gardens in particular. The Mayor, and the Leader of the Council, commented on how much they enjoyed viewing the results of the hard work by volunteers, adding how proud they felt that these areas are in Trafford. We await the Judge's decision.

Broomwood Park

One of the best Community Parks in Trafford

A great time to open your Credit Union Account to save for Christmas.
Just £20 a week and you could have £340 by Christmas
OPEN EVERY MONDAY
1pm to 3pm
AT THE G-FORCE CAFÉ

After nearly 5 years of planning and hard work by the Broomwood Partnership, many residents and our children and Young People, Broomwood Park is now looking magnificent. A great selection of play equipment for all ages, coupled with sympathetic landscaping, has changed the area beyond recognition. There is still some tree and fruit bearing bushes to be planted in autumn (to remove the stark look of the fence) and then it will be all but finished. Plans are in progress to start a Friends Group to help look after the Park and if you are interested in getting involved please contact Paul Huxley at the G-Force café.

Coniston Walk Art Day a massive success

The annual Art Day attracted over 90 residents despite the awful weather. Together they tried their hand a number of art and crafts skills and enjoyed the event which has turned into an annual social occasion. Below are some pictures of the day. Our thanks go to Trafford Housing Trust 'Altrincham Community Panel' who helped by funding the day. HOPE TO SEE MORE OF YOU NEXT YEAR.

Focus on Dog Mess

Trafford have agreed to put extra wardens on Broomwood in an attempt to catch offenders. If you know of anybody who allows their dogs to foul the area please contact Mark Dale at Trafford Council on 912 2000 who will follow up on every case with a visit to their house. You can also email him on mark.dale@trafford.gov.uk **OFFENDERS RISK A HEFTY FINE**

www.broomwoodvoice.com

Did you know that the Broomwood has one of the best community websites in the whole country. Why not visit www.broomwoodvoice.com and check out all the latest information relevant to you and your community from local weather, TMBC watch, updates on local issues, traffic and travel info and much more.
