Next two theatre visits

Monday 4th Dec 2006 -

Comfort and Joy By Mike Harding – price tbc

It's Christmas. Relatives you hardly ever see arrive and once the alcohol flows, tongues are loosened and long buried resentments resurface.

Monday 29th January 2007

Habeas Corpus By Alan Bennett – price tbc

A gorgeously vulgar farce that is a celebration of sex and the human body. A satirical merry-go-round in the home of the *WICKSTEED* family, where all the characters move in and out through a maze of mistaken identities and sexual encounters.

As Dr. Wicksteed says *...HE WHOSE LUST LASTS, LASTS LONGER...* Just the right medicine for those dark January nights.
