Broomwood Voice

Issue 1, January 2003

Welcome to the first edition of the Broomwood Voice.

Your new monthly community newsletter produced by residents for residents.

Our aim is to give residents of the Broomwood Estate a voice, make them aware of what is happening in our community and of any plans for the future.

We also want this to be a good read, full of interesting and fun articles about the Broomwood Estate and give you a chance to air your views in its pages. So if you have anything you want to share, send it to us and we will endeavor to include it in our next issue. Also, if you have any other ideas about what you would like to see in future additions of the 'Voice' let us know.

A Grand Time Was Enjoyed By All

Here is a picture of the first B.C.A. Over 60's Christmas Party was held at Broomwood Primary School on 15th December last with all those attending voting it as a great success.

Joe Statham and his team, at very short notice, organized a most enjoyable series of entertainments and an excellent turkey dinner. This was followed by the children of The G-Force Youth Club giving joyful Christingle readings and carols. Thanks all who made it possible and we look forward to holding many more events in the future.

Broomwood School and its vision for our children

***Broomwood Primary
School is at the heart of
our community.***

We provide a learning environment for all ages who are challenged and encouraged to reach their full potential at all times. Quality resources are available together with highly trained and motivated teachers. The internal environment is attractive with quality displays which are informative, well planned and welcoming. The

curriculum has breadth and balance and is differentiated in order that children enjoy equal access. Classrooms are well organised and encourage independent learning with clearly labelled resource areas and

displays which reflect current work. There is a caring atmosphere of trust where good relationships flourish. Children leave the School anticipating the future with eagerness and are able to take a responsible place in society, using work and leisure time purposefully. For more details please contact the Head Teacher, Ann Wood on 980 4968

The G-Force Dreamscheme Youth Club News

What an exciting 6 months we have had!. Since our launch in July we have grown to over 90 members who are doing such varied projects as making jigsaw puzzles to laying wood chip paths in the Broomwood woods whilst all the time the Young People have been earning points that they can spend on trips out wherever they like. So far they have earned over 8000 points! We are particularly proud of the young people who won a grant for £1000 to start up there own Dance & drama group. Well done to Brinley Cuddy & Martin Quinn who worked so hard on the bid. If you are interested in joining please ring Tina or Paul on 282 0575 for an application form. A big thank you goes to the Childrens Fund who are our main funders. Without them the club could not have developed as it has.

Have you seen this man?

The Broomwood Community Association warmly welcomes Vincent Walsh as the new 'Community Development Worker' on the Broomwood Estate. He is based at the Youth Centre & can be contacted on 980 0696.

Good luck in your new role Vincent!
